Monday of the month.

Historic Flag Presentation

at the Bristol Hills Historical Society

So.Bristol Grange Hall - 6547 Rt.64

Thurs. Nov.7 at 6:30 pm

Ever wonder what flags have flown over our hills in the past? Or have you simply driven by and seen more than "Old Glory" snapping from the pole and asked yourself "what is the significance of that particular standard?" Over the past 200 years, many different colors have been flown in our area and each has its own story. Bristol resident A.J. Magnan's presents the area's history as seen through some of our historic flags. A.J. Magnan of Bristol is a retired Navy officer and history buff with a collection of flags – US military, national and regional. FREE and open to the public.
